DETAILED ACTION

Allowable Subject Matter

1. Claims 7-11 are allowed.
2. The following is an examiner's statement of reasons for allowance:

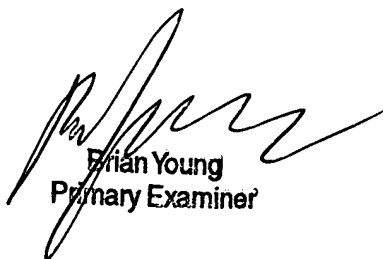

The prior art fails to teach a sequential comparison type AD converter comprising the plurality of capacitive elements including a first capacitive element and a second capacitive element, wherein the first capacitive element and the second capacitive element are connected in series between any one of the reference values and a ground and connection portions of the first and second capacitive element are connected to input of the comparator as called for in claim 7. Therefore, claims 7-11 are presently allowed.

Conclusion

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to John B Nguyen whose telephone number (571) 272-1808. The examiner can normally be reached on 8AM-4:30PM M-F.
